Fantastic Location

Detached farmhouse in Almeria

Fantastic detached farmhouse for renovation set within a plot of over 5000m². With stunning views, this farmhouse has great potential, comprising, on the ground floor huge lounge with feature fireplace, 2 rooms that were used as bedrooms, two further large rooms with patio that were previously used for animals, 1 small room and another patio. On the first floor are seven rooms which could be converted into bedrooms, bathrooms etc. The house needs a complete refurbish, but once reformed could be an ideal rural retreat or a large family home with spectacular views in a peaceful area yet only 5 minutes walk to all amenities. This is an amazing opportunity close to Somontin, Valle del Almanzora, Almería.

A great opportunity to renovate a property in Almeria
