## **Parcela Taberno - AH-11960**

Land for sale in Taberno

€125,000 — £107,962

Type: Land

Land area: 17.6 hectares

Water: Connected

Electricity: Possible to connect

Telephone: No

Water rights

Great location

Plot of agricultural land of approx. 17,6 hectares for sale in the Taberno area.

The plot has been leveled and planted with almond trees. There are water rights and all of the land is on irrigation. There is the possibility of getting a license to build a farm, build a large water deposit and to build a large store room.

If agriculture isn't your thing then this could be used as a solar farm or for wind turbines.
