Starter property in Almeria

Town house for sale in the town of Oria. This property is in need of some renovation but it could be a lovely property once finished.

The property is set over two stories; on the ground floor there is a room with an open fireplace which is currently being used as the kitchen. From here there is a door to the left leading into a well sized double bedroom. To the right of the kitchen is the living room and the staircase leading to the first floor.

At the moment the first floor is being used as a storage area and there is a door leading to the street on the back of the property, this would help to make a separate apartment / annex.

This property is located in the center of Oria where you will find all necessary amenities for a day to day lifestyle.

If you would like to view this property please do come to Almeria Homes office, or contact us by mail or phone.
