Large property

A 2 storey country house with a bar, two large garages and lovely views set on the outskirts of the lovely town of Oria.

This property has a total of 560m² of constructed area and is set on a 1200m² plot where there is ample space for parking.

The main country house is in need of renovating but it would be a lovely property once finished. It is divided in two stories where there is a large hallway, 5 bedrooms, a partly fitted kitchen and a living / dining area.

To the outside there are two large garages which could easily be converted into separate apartments to set this property up as a B & B. There is also a large bar which also needs renovating with a store room, kitchen area, 2 bathrooms / toilets and a large room for seating.

Situated within walking distance from several bars and basic amenities, only a 15 minute drive from Oria and a 20 minute drive from the large market town of Albox. The coastal resorts are around a 45 minute drive and the nearest airport is an hour drive.
