Detached farmhouse to reform, located on a 2,500 m² plot with excellent views and good access set in a quiet very private area. The farmhouse comprises, on the first floor, lounge with feature fireplace, 3 bedrooms and one storage room. On the first floor are 3 further large bedrooms.

The farmhouse needs reforming, but retains many old rustic features, thick stone walls, the typical shape of a farmhouse and the charm that only this type of construction has.

Although it seems that it is very isolated, it is not so since it is located 5 minutes by car from Olula de Rio where we can find all the necessary services such as a 24-hour health center, schools, shops, bars, soccer field, Pharmacies, etc., weekly market on Thursdays. Half an hour from the beach, and one hour from the capital of Almeria.

A great starter property for sale in the interior of Almeria.
