Lovely mountain views

Great location

Two plots of agricultural land for sale in the Oria area.

The plots are situated fairly close together in the same area. They are located in an area called La Ermita where you have a small village and three bar-restaurants. The town of Oria is only a 10 minute drive away and Albox is a 20 minute drive.

These plots couldn't be used to build a property as they are rustic. They could be used for agriculture.

Plot 1 has 825m2 and plot 2 has 1,712m2.
