Plots on the beach in Vera Playa

Plots for sale on the sea front in Vera Playa, The located within 150m of a vast surreal expanse of fine sandy beach, stretching away as far as the eye can see, washed by the exceptionally clean, clear local waters of the Mediterranean. To the south are views across the sparkling waters of the Gulf of Vera, as far as the Moorish and somewhat bohemian hilltop village of Mojacar, all backed by the beachside development of Vera. But to the north is an all but deserted series of beaches, backed by trees in the most enviable of locations, all along the coast to Villaricos.
