Starter Spanish property

Single storey property of around 36m² for renovation, set in a plot of 38m². This is an Urban property, if you wanted to you could knock down the existing building to build a new property.

The property currently comprises one room, a cave and a patio, and could be extended to create a 1st, second and possibly a third floor.

This is a great starter project, a fun to build property in Almeria. Situated in a typically Spanish town in Almeria with all amenities, electricity and water are available for connection.
