Business partaloa

Unique business opportunity! Large restaurant with a bar and dance area situated in the picturesque village of Partaloa where there is a great mixed community. On the upstairs there is also space to make living accommodation such as a 2/3 bedroom home.

This commercial property has exceptional potential and would look superb with only a bit of modernisation and decoration. The restaurant is located on the ground floor and comprises large professional kitchen, bar area, male and female toilets, downstairs and upstairs dining areas and a dance floor. The accommodation is located on the first floor and is in need of a reform. This wouldn't be a big expense as materials and labour is much cheaper in this area.
